

AGN. NO.

MOTION BY SUPERVISOR GLORIA MOLINA

February 12, 2013

Each year, the American Society of Civil Engineers (ASCE) holds its National Concrete Canoe Competition which provides students with a practical application of classroom engineering principles, along with important team and project management skills. The students of Cal State University Los Angeles' Civil Engineering Department will train and practice with their hand built cement canoes to prepare for the national competition in the spring.

I, THEREFORE, MOVE that the Board of Supervisors hereby instruct the director of Parks and Recreation to waive the parking fees in the amount of \$10.00 per vehicles for 3 vehicles and \$7.00 for two boat launches (non motorized) for a total of 8 weeks, one Saturday per week, beginning February 16, through April 6, 2013 at Santa Fe Dam Recreation Area, excluding the cost of liability insurance.
